

# Artex

Your trusted provider of  
**alternative risk solutions**

## THE **ARTEX** DIFFERENCE

### **People and Culture**

We're driven by a culture of ethics, trust and diversity. Our people are passionate about this business, constantly challenging conventional thinking to deliver the best outcomes for our clients.

### **Client Focus**

Finding you a better way begins with getting to know you and your business. Through our stewardship process, we proactively collaborate with clients so we can fully understand their needs, deliver on promises and provide individualized market-leading solutions.

### **Expertise and Creativity**

As pioneers in the (re)insurance and alternative risk markets, we're constantly testing the way it's always been done. With a unique blend of art and science, our experts help you manage your total cost of risk with data, technology, creativity and innovation.

At Artex, we believe there is more to alternative risk management. As a trusted leader and provider of diverse (re)insurance and ILS solutions, our global team operates at the intersection of art and science—where creative thinking meets expertise, where superior outcomes are made. That's how we're able to fully understand our clients' needs and deliver the most comprehensive solution set available.

Established in more than 35 locations internationally, we're here to help empower you to make decisions with confidence, reduce your total cost of risk and improve your return on capital. At Artex, we believe in finding you a better way.

### **What sets us apart:**

- Our people are passionate about finding you a better way
- A culture of ethics and shared values, a belief in doing business the right way
- We operate independently and autonomously as one of the world's largest insurance managers, backed by one of the world's largest insurance brokerage firms Arthur J. Gallagher & Co. (NYSE: AJG)
- A focus on collaboration, both internally and externally
- A formal client stewardship process
- Execution-driven, delivering wide-ranging specialist insurance expertise
- Exercising creativity to design and deliver solutions, not products
- Global reach and a neutral approach to domicile selection
- Investing in technology and data driven innovation

# WE BELIEVE IN FINDING YOU A BETTER WAY.

---

## OUR **VISION**

To be the (re)insurance solutions provider of choice for alternative risk and capital markets.

## OUR **MISSION**

To help our clients find a better way to manage risk and improve their return on capital.

## OUR **VALUES**

Empathy, engagement, expertise and excellence are the blueprint for our success. Empathy enables us to forge a connection with our clients, and allows us to see and go beyond the obvious. Through engagement, we transform this understanding into tangible and meaningful action. Our expertise is the drive behind our search for solutions and the way in which we deliver service to our clients. Excellence is what we strive to achieve each and every time.

Artex provides risk transfer consultation and alternative risk management solutions for our clients. When providing analysis, recommendations or advice regarding risk implications and risk transfer strategy, we offer it as general recommendations for risk mitigation and to limit financial exposures. Any statement or information provided is for informational purposes and is neither intended to be, nor should it be interpreted as, insurance broker, tax, financial, legal or client-specific risk management or mitigation advice. We recommend consultation with tax, legal and financial advisors for business-specific advice for your company.
